

27 May 2020

Dear Parishioners,

So far, everyone seems to have remained in good heart over this time of pandemic. I encourage you to keep in touch with each other through the many ways available. I also expect that some of you will be getting a little frustrated, sad, or fearful as time passes. Remember that, although in isolation, God remains active in our lives through the presence of the Holy Spirit. Seek strength and encouragement therefore, by reading the Scriptures, prayer, and taking time for contemplation upon the God of compassion and healing.

### **Easing of Restrictions and Attendance at Services**

I am pleased to announce the easing of some restrictions for attendance at church services. The Parish Council has endorsed the following arrangements as from Sunday 31 May 2020 (Pentecost Sunday), We are also aware that these arrangements may be adjusted over time, especially with respect to numbers attending services, and will keep you informed accordingly.

#### **General**

The government has advised that a limited number of people may attend religious gatherings, which does not include those necessary to conduct of the service. People attending services need to do the following:

- register their names through the online ticketing service on the Parish website Online Services,
- not attend the service if feeling unwell,
- adhere to physical distancing guidelines and sit in the church at those places marked by a green dot,
- use hand sanitiser when arriving and leaving,
- be willing to have a temperature check conducted at the door, and
- must not sing during the choral services because of proximity to others.

We understand that it is important for people to take responsibility for their health and not venture out if they are unwell or are at risk of being infected, which is why we will continue livestreaming some services.

Given our number of parishioners, we also ask that people only register for one weekday service and no more than two Sundays a month to allow more people to share in the limited spaces that are available.

We also advise that, at this stage, there will be no refreshments served after services.

## Additional Matters

### Stewardship

As we come to the end of the financial year we remind parishioners of the need to review their stewardship arrangements and of the opportunity to make tax-deductible donations to the Sister Freda Mission, the Church Conservation Appeal, the St James Music Foundation, and St Laurence House. A brochure is attached, and can also be found here: <https://www.sjks.org.au/wp-content/uploads/2020/05/Donations-pamphlet-2020.pdf>

### St James' Hall Ordinance

Because of the effect of the COVID-19 pandemic on our strategic planning, the Parish is seeking an extension of twelve months to the current St James Hall Ordinance. A copy of the notice and proposed ordinance can be found here: <https://www.sjks.org.au/wp-content/uploads/2020/05/Ordinance-2020-notice-website.pdf>
