## **Conclusion**

We will continue to monitor the COVID-19 situation and make any changes as required. The virus has certainly disrupted life over the past two years, but we have no choice but to work around it. May God bless, strengthen, and encourage you for our work in this place!

*We are not a people of fear: we are a people of courage.  
We are not people who protect our own safety:  
we are people who protect our neighbours' safety.  
We are not people of greed: we are people of generosity.  
We are your people God, giving and loving, wherever we are, whatever it costs,  
for as long as it takes wherever you call us. Amen.*

President of the UK Methodist Conference*

Every blessing,

The Reverend Andrew Sempell
